PROFESSIONAL SUMMARY

Senior Electrical Engineering student from Princess Nourah bint Abdulrahman University, with a concentration in communications. Cisco Certified Network Associate (**CCNA**) with hands-on telecommunications internship experience at **Nokia**, Riyadh, with solid technical, problem-solving, teamwork, and presentation skills.

EDUCATION

B.S. Electrical Engineering, PNU **08/2022 - Present**

- GPA **4.92 out of 5**
- Concentration in **Communications**
- Highlighted Courses: Communication Networks | Optical Fiber Communication | Wireless Networks | Digital Communication

EXPERIENCE

Internship, Nokia **06/2025 – 08/2025**

- Completed a summer internship at Nokia with a focus on GSM, LTE, 5G, Mobile core networks.
- Applied telecommunications concepts through team-based technical projects, presentations, and site visits.

PROJECTS

NTN Satellites: The Game Changer

Team project at Nokia's summer internship

- Developed a technical presentation on **Non-Terrestrial Networks (NTN)** and satellite communications, focusing on LEO, MEO, and GEO satellite systems.
- Explored Direct-to-Device (D2D) and Fixed Wireless Access (FWA), including their applications.
- Analyzed a LEO-based technical solution integrating satellite connectivity with existing networks.

Quantum Ghost Imaging for High-Resolution Signal Reception in Next-Generation Radio Telescope

Academic project at PNU

- Analyzed quantum ghost imaging using entangled photons to improve signal reception.
- Proposed a satellite-based quantum imaging system to generate photon pairs that are transmitted to a ground-based radio telescope for image reconstruction.

SKILLS

Network Configuration | Cisco Packet Tracer | Python | C# | Leadership | Teamwork | Presentation Skills

LANGUAGES

Arabic

English
IELTS 7 (2026)
